

NURSE'S SCHEDULE OF SCREENING DURING SCHOOL YEAR

Screenings occur throughout the school year as indicated by the screening schedule or as requested by school personnel or parent. Community professionals, university nursing students and parent volunteers may support the school nurse with screenings. If a student fails a screening, information will be sent home to the parent/guardian.

Screening Schedule:

Vision Screenings – Kindergarten (that do not have a comprehensive eye exam completed), 1st, 3rd and 6th grades (near, far & binocularity)

Hearing Screenings – 1st, 3rd and 5th grades

Spinal Screenings – 6th and 8th grades for girls
9th grade for boys

Dental Screenings – 1st, 2nd, 3rd, 4th, 5th, 7th, & 10th
