## Enhanced Plus *C-11 Plan*

A Limited Benefit Cancer  
Expense Insurance Policy

# Cancer Can Be A Costly Disease.

Anyone can develop Cancer. Many Cancers are not inherited, but rather are the result of damage to genes that occurs during one's lifetime.\* If you think it can't happen to you, think again.

## CONSIDER THESE FACTS

- In the U.S., men have slightly less than a 1 in 2 lifetime risk of developing Cancer; for women, the risk is a little more than 1 in 3.\*

With statistics like this, it would help to prepare for Cancer early. Ask yourself, "If I were to be diagnosed, how would I pay for this costly disease?"

**Will Develop Some Form Of  
Cancer In Their Lifetime.\***

Non-medical expenses, such as travel, lodging, and meals, are usually not covered by most medical policies. Only 46% of the overall medical cost of Cancer is for direct expenses, **while 54% of Cancer treatment costs are not direct medical costs.\*** It is essential to have a plan set in place that would help if you were diagnosed.

Cancer screenings can help detect Cancer earlier which could increase your survival rate if you were to be diagnosed with Cancer. The 5-year relative survival rate for all Cancers diagnosed is 67%.\* Yet, sadly, many Americans cannot afford the expense of these all-important screenings.

The good news is that American Fidelity provides a product that can help with these expenses. Our Limited Benefit Cancer Insurance plan can help cover the cost of these screenings, giving you the early detection that can be so important when fighting the illness.

## American Fidelity Can Help.

American Fidelity's Limited Benefit Cancer Policy may help with the indirect costs of Cancer such as:

- Loss of your income
- Spouse's loss of income
- Babysitters
- Travel expenses (auto & air)
- Long distance phone calls
- Meals away from home
- Motel rooms

Our policy provides wellness benefits to help with the costs of screenings for the early detection of some Cancers as well as the financial aid you may need if diagnosed with Cancer. Limited Benefit Cancer Expense Protection benefits are paid directly to you, so they can be used however you need.
