

JACKSON R-2 MISSION STATEMENT

The Jackson R-2 Schools, in partnership with parents and the community, are committed to achieving our mission: “To ignite the desire for learning and continuous improvement, graduating educated, responsible citizens.”

INTRODUCTION

The Jackson R-2 School District encourages an open relationship between the school and its patrons. If you have problems, concerns, or suggestions for improvement you are urged to discuss them with your child’s teacher first, and then with the building principal if necessary.

We encourage parents to communicate with their child’s teacher often and openly. These lines of communication are of utmost importance in providing a quality education for your child. Cooperation and understanding between the teachers, children, and parents is imperative for a successful school year.

This handbook has been compiled to help parents know and understand the elementary policies and procedures. Please keep this handbook so that you will be able to refer to it during the school year.

ELEMENTARY ATTENDANCE

Appointments should be made outside of school hours whenever possible. Please send a note to school when your child must be dismissed early. Students will need to be checked out through the office. It is very important that students are signed out/in through the office for safety and accuracy of records.

Elementary Attendance Regulations

All students who are absent are required to bring a note or have parents call the Elementary School where their child attends stating the reason for being absent. Students will be cited an absence for all classes missed. Attendance records are kept by the hour. Any time a student misses an hour of school, it will count against the attendance policy.

The following attendance procedures may occur, unless medical verification can be made:

Step 1: At four (4) days or 26 hours a form letter will automatically be sent to the parent/guardian.

Step 2: At eight (8) days or 52 hours a referral may be made to the school based social worker who will make contact with the parent or guardian.

Step 3: At ten (10) days or 65 hours a referral may be made to the Prosecuting Attorney's Office who generate and personally deliver a "final warning" letter.

- **All absences will count toward the 10 day limit allowed each semester.**

The following examples will **not** count toward the limit of 10 days per semester: All school sponsored activities, failure of school bus to pick up students, suspension for disciplinary action.

- In the case of chronic illness, hospitalization, death in the family or other such issues will be the cause for consideration of extending the limit of allowed absences. Each case will be reviewed and considered on a case by case basis.
- Parents should attempt to notify the school office of all absences. All absences other than sickness should be arranged in advance with the Principal or Assistant Principal. Parents/guardians may notify the office of student absences.

SCHOOL DAY

The school day varies between buildings due to bus schedules. Non-bus riders should arrive to school between 7:45 a.m. and 7:55 a.m., but never before the first bus arrives at approximately 7:30 a.m. **Teachers are not on duty to supervise students in the building until 7:30 a.m.**

	<u>School Begins</u>	<u>School Closes</u>
East Elementary	8:00 a.m.	3:10 p.m.
Gordonville Elementary	8:00 a.m.	3:15 p.m.
Millersville Elementary	8:00 a.m.	3:15 p.m.
North Elementary	8:00 a.m.	3:15 p.m.
Orchard Elementary	8:00 a.m.	3:10 p.m.
South Elementary	8:00 a.m.	3:10 p.m.
West Lane Elementary	8:00 a.m.	3:10 p.m.

- (1) **When children arrive late, parents are to bring them into the building and sign them in.**
- (2) If your child has a change in his/her regular routine after school, **please send a note** to your child's teacher. **Written permission** to change his/her schedule is preferable, however, in case of an emergency, a phone call to verify relationship is required; otherwise we will follow your child's regular routine. Calling the school usually results in your child's classroom being interrupted during the school day. It is in the best interest of all children not to interrupt valuable instruction time.
- (3) **During regular school hours, all doors will remain locked. Should an unknown visitor need to enter the building a photo I.D. will be required at the buzzer. After identification is confirmed the visitor**

should go directly to the office and obtain a visitor's badge. This includes parents picking up students prior to dismissal. In most cases, you will need to sign your child out.

- (4) If you need to talk with your child's teacher, the teacher will be happy to schedule a conference during planning time or before or after school. Teachers are not to visit with parents while classes are in session.
- (5) Class visitations are welcome, but must be prearranged with the principal and the classroom teacher. (One or two days in advance are recommended.) Visitations are not allowed if they become disruptive to the learning process.

SCHOOL CANCELLATIONS

Parents will be notified of school cancellations (including early dismissals) by an automated phone call from the school district. The notification will also be aired on KFVS-TV and local radio stations. Please listen to one of these stations in case of inclement weather. Do not telephone the school unless there is an emergency. Telephone lines should remain open as much as possible for emergency traffic.

CODE OF CONDUCT

School-Wide Positive Behavior Intervention Support: What is SW-PBIS?

SW-PBIS stands for school-wide positive behavior intervention support. It is a broad range of systemic and individualized strategies for achieving important social and learning outcomes while preventing problem behavior. Simply put, it's a general approach to preventing problem behavior and at the same time rewarding positive behavior through school-wide incentives.

While acronyms may vary from building to building, Jackson R-2 Elementary Schools will teach a basic code of conduct, which includes being a respectful learner, a responsible learner and a safe learner. This pledge will be reflected in each matrix and will be displayed in every classroom. The matrix will list and define the expected behaviors in several settings throughout each building and campus including, but not limited to, the cafeteria, on the playground and in the classroom. Every student will be introduced to the matrix at the beginning of the school year with each expectation taught in the classroom and reinforced throughout the year.

To promote and encourage positive behaviors there will be several incentives in place that are awarded to students. Each elementary building will design their own awards and work to assure that all students are aware.

Students are encouraged to treat each other with respect, act responsibly and think about the safety of themselves and others in all situations. As a school community, we are able to achieve these things through SW-PBIS.

If you have any questions concerning your child's behavior, please contact the teacher. Should you need further clarification, contact the principal.

Bullying – For purposes of this policy, bullying is defined as intimidation or harassment of a student or multiple students perpetuated by individuals or groups. Bullying includes, but is not limited to: physical actions, including violence, gestures, theft, or damaging property; oral or written taunts, including name-calling, put-downs, extortion, or threats; or threats of retaliation for reporting such acts. Bullying may also include cyberbullying or cyberthreats. Cyberbullying is sending or posting harmful or cruel text or images using the Internet or other digital communication devices. Cyberthreats are online materials that threaten or raise concerns about violence against others, suicide or self-harm.

ENROLLMENT

The person enrolling the student must be a resident of the Jackson R-2 School District and have legal custody of the student. Proof of residency is required (utility bills, rent receipt, contract on house). Students new to the district must comply with the guidelines of Missouri State law regarding immunizations. The Jackson R-2 School District requires a copy of the state birth certificate and social security card for all students new to the district regardless of grade level. Students not having an immunization record will be excluded from school at that time.

Parent Portal

Parent Link is a web based program that allows access to grades, attendance, lunch balances, and more.

1. To begin using Parent Portal, you must first sign up at any school office. Please remember to bring along a picture ID when you visit. If you have children at multiple school buildings, you will only need to visit one of the schools to turn in the Parent Portal form. The office for that school will send your information to the schools your other children attend. If you like, you can print a copy of the form from our website:
<http://www.jackson.r2schools.com>
2. Once your information has been entered into the program, you will be sent an e-mail containing all of your login information. If you entered multiple e-mail addresses on the sign up form, e-mail will be sent to each address with its own unique login information. If you ever forget your password for Parent Portal, please go to the Parent Portal web page and enter your e-mail address in the appropriate field to have your password automatically sent to you.
3. To access Parent Portal, visit the Parent Portal section of the Jackson R-2 School District's website at:
<http://www.jacksonr2schools.com> and click "Parent Portal".

Change of Information

When there is a change in the information listed on your child's enrollment form, please send this information to the school office. Report any change of address, place of employment, telephone number, doctor, or dentist. If the telephone number is unlisted we still need it for emergency situations.

Child Custody

In most cases, when parents are divorced, both the mother and the father continue to have equal rights where their children are concerned. If there is a court order that limits or terminates the rights of one of the parents, the office must have a copy of this court order. If we don't have a court order we assume both parents have equal rights to pick up children at school and all other contact situations.

Kindergarten Pre-Registration

Early enrollment for the next year's kindergarten class usually takes place in March. To be eligible for kindergarten, a child must be five years of age by August 1. An official state birth certificate is required at the time of enrollment as well as a complete record of immunizations.

- Parent-teacher conferences are held in the fall and spring of each year for all parents to meet with their child’s teacher and discuss his/her progress.

STUDENT HEALTH SERVICES

Health services are provided by or are under the direction of a registered professional nurse. The school nurse for your school may also provide services to other schools. If you need to contact the school nurse, please call your school office.

Illness or Injuries

To decrease the spread of potential communicable diseases, students exhibiting symptoms of impending illness may be sent home at the discretion of the school nurse. Factors considered before sending students home include a

temperature of 100 degrees or higher, vomiting, or other symptoms that affect their ability to be productive at school. **Students should not return to school until they are symptom free (fever, vomiting, diarrhea, or unusual or unexplained rash) for 24 hours without medication.** If a child is diagnosed with an infectious disease such as strep throat, impetigo, pink eye, etc. the child will not be allowed to return to school until they have been on an antibiotic for 24 hours.

In cases of serious injury or illness, the school nurse will be notified immediately. The Emergency Medical Service (911) may also be called. The nurse, designated school personnel, and/or emergency medical personnel will care for the student and the parents will be contacted as soon as possible. **PARENTS ARE RESPONSIBLE FOR NOTIFYING THE SCHOOL OF A PLACE WHERE THEY CAN BE LOCATED IN THE EVENT OF AN EMERGENCY.**

Head Lice Procedure

The procedure listed below will be in effect to control the spreading of head lice at school:

1. If head lice/eggs (nits) are discovered on a student, the student will be removed from the classroom and the parents/guardian will be called to remove the student from school.
2. When head lice/eggs (nits) are discovered on a student, all siblings attending one of the Jackson R-2 schools will be checked.
3. Parents will be provided information concerning procedures to eliminate the head lice.
4. After treatment is completed and prior to returning to the classroom, the student must come to the nurse's office for an examination. If eggs (nits) or lice are found, the student will not be allowed to return to the classroom.
5. Students cannot attend school unless the school nurse or designated school person has determined that they are free of eggs (nits) and/or head lice.

Immunizations

Immunizations are essential for the protection of students and are required by Missouri Law for students to be enrolled in and attend school. The parent or guardian must furnish the school satisfactory evidence of immunization in the form of a statement, certificate, or record from a physician or other health facility or a statement of medical or religious exemption from immunizations against diseases (a religious exemption must be completed every year.) Students without proper immunization documentation will not be permitted to attend school. Please contact the school nurse if you have questions regarding immunization requirements.

Special Health Concerns

It is important for parents to inform the school nurse of special health conditions which may be a concern or necessitate emergency care at school. Examples of special health conditions are: a hearing loss, severe allergies, asthma, diabetes, and seizure disorders. Please complete a Student Health History form and send it to your child's school nurse. School nurses will share information that may constitute an emergency at school or impact a child's education with other Jackson R-2 staff members on a need to know basis.

Medication

Medication administered through the school office to students will be by the school nurse or designated school personnel trained and supervised by the school nurse.

All medications administered through the school office must meet the following guidelines:

- The prescription medication shall be in the original container labeled with the physician's prescription.
- The first dose of a new medication will not be administered at school.
- A "Request for Giving Medication" form must be completed and signed annually by a parent/guardian for each medication administered at school. A new form must be completed at the time of a medication dose change.
- Medication must be delivered to the school by a parent/guardian or other designated adult. A one-month supply of a student's medication can be stored at school.
- The school nurse will not administer medication amounts exceeding the recommended daily dosage indicated by the manufacturer.
- If a student has a health concern that requires medication on an as needed basis for emergency situations, then specific written instructions must be provided as to when and under what circumstances medication is to be administered. This information should be provided and signed annually by the student's doctor.

- Over the counter medication may be dispensed for a specific condition by the school nurse upon written request or verbal permission by the parent/guardian.
- Over the counter medication brought to school, must be in its original container and kept in the nurse's office.
- Students in grades 10-12 may carry their own over the counter medication and consume directed.

Self-Administration of Medication by Students

An authorized prescriber may recommend that an individual student with a chronic health condition assume responsibility for his or her own medication. The district will allow students to self-administer medication for the treatment of asthma, anaphylaxis and other chronic health conditions in accordance with board policy JHCD. The district will not allow any student to self-administer medications unless:

1. The medication was prescribed or ordered by the student's physician.
2. The physician has provided a written treatment plan for the condition for which the medication was prescribed or authorized that includes a certification that the student is capable of and has been instructed in the correct and responsible use of the medication and has demonstrated to the physician or the physician's designee the skill level necessary to use the medication.
3. The student has demonstrated proper self-administration technique to the school nurse.
4. The student's parent has signed a statement authorizing self-administration and acknowledging that the District and its employees or agents will incur no liability as a result of any injury arising from the self-administration of such medication unless such injury is a result of negligence on the part of the district or its employees or agents.

Possession of Self-Administered Medication

An authorized prescriber may recommend that an individual student with a chronic health condition be allowed to be in possession of his or her medication on district property for the purposes of self-administration. The district will permit possession of medication for the treatment of asthma or anaphylaxis on district property, at district-sponsored activities and in transit to and from school or activities in accordance with law. No student will be permitted to possess any medication unless the parent/guardian has submitted all required authorizations and releases in accordance with board policy JHCD.

Screenings

The Jackson R-2 School District will conduct screening exams in the areas of speech/language, dental, hearing, vision, and scoliosis for the following grades:

- Hearing – 1st, 3rd, & 5th
- Vision – Kindergarten, 1st, 3rd, & 6th
- Scoliosis – 6th & 8th for girls and 9th for boys
- Speech – Kindergarten, 1st, 2nd
- Dental – PreK - 10th

If a concern is detected in any area screened, the student's parent/guardian will be notified.

Wellness Policy

For the safety and health of our students, home-made treats are no longer allowed to be brought to school. All treats should be store-bought items. Parents are encouraged to provide healthy snacks for celebrations and parties. Ideas for healthy treats may include: granola bars, yogurt tubes, cuties, bananas, grapes, carrots, celery. A copy of the district's wellness policy may be found on the website: www.jacksonr2schools.com.

Jackson R-2 School District
PUBLIC NOTICE

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Jackson R-2 School District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Jackson R-2 School District assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Jackson R-2 School District assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Jackson R-2 School District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed at 614 E. Adams St., Jackson, MO on Monday through Friday from 8:00 a.m. – 5:00 p.m.

This notice will be provided in native languages as appropriate.

Notification of Rights under FERPA
For Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the School receives a request for access.
Parents or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
Parents or eligible students who wish to ask the School to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the [School] to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))

- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- Information the school has designated as “directory information” under §99.37. (§99.31(a)(11))

However, the District may disclose appropriately designated “directory information” without written consent, unless you have advised the District to the contrary in accordance with District procedures. The Jackson R-2 School District will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at the time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. COMPLAINT RESOLUTION PROCEDURE FOR FEDERAL PROGRAMS

Complaint resolution procedure applies to all federal programs in which the Jackson R-2 School District participates.

A complaint is a formal allegation that a specific federal or state law or regulation has been violated, misapplied, or misinterpreted by school district personnel or by Department of Education personnel.

Any parent or guardian, surrogate parent, teacher, administrator, school board member, or other person directly involved with an activity, program, or project operated under the general supervision of the Department may file a complaint. Such a complaint must be in writing and signed; it will provide specific details of the situation and indicate the law or regulation that is allegedly being violated, misapplied, or misinterpreted.

The written, signed complaint must be filed and the resolution pursued in accordance with the **Jackson R-2 Public Complaints Policy: Policy KL** (available at the Jackson R-2 Board of Education Office, 614 East Adams). If the issue cannot be resolved at the local level, the complainant may file a complaint with the Missouri Department of Education. If there is no evidence that the parties have attempted in good faith to resolve the complaint at the local level, the Department may require the parties to do so and may provide technical assistance to facilitate such resolution.

Any persons directly affected by the actions of the Department may field a similarly written complaint if they believe state or federal laws or regulations have been violated, misapplied, or misinterpreted by the Department itself.

Anyone needing more information about the complaint resolution policy and procedure may contact Mr. Matt Lacy at the Jackson Board of Education Office (243-9501).

Notes will be subject to approval by the superintendent or designee. In unusual or emergency situations, parents/guardians may request to have their child picked up or dropped off at a different spot by directly communicating to the superintendent or designee.

OTHER IMPORTANT INFORMATION

1. School telephones are for emergency use only. Students are instructed to bring notes from home on special instructions and not to use the telephone.
2. The dress code of the Jackson R-2 Schools states that each student's dress and grooming be neat, clean and in good taste, so that each student may share in promoting a positive, healthy and safe atmosphere within the school district. Shirt length must cover the stomach and shorts should be a modest length. When, in the judgment of the principal, a student's appearance or mode of dress disrupts the educational process, or constitutes a threat to health or safety, the student may be required to make modifications. Dress that would tend to draw attention is generally inappropriate.
3. Animals should not be brought to school unless the Principal has given permission. This is for the protection of all students.
4. Flowers and balloons sent to students cannot be taken on buses. These items are also distracting to the educational process. Parents should have such items sent to your home rather than school. If parents choose to send such items to school, they will not be delivered to the classroom. Your child will be asked to pick them up in the office at the end of the school day.
5. School parties are for the enjoyment of our students. Parents are asked not to bring younger siblings to classroom parties.
6. In an effort to preserve the learning environment, invitations to birthday parties and other activities outside school are not to be handed out at school.
7. Electronic devices such as video games, cell phones, iPods and tablets should remain at home unless approved by the Principal.
8. Students should not bring their own playground equipment, toys, or other personal belongings to school for entertainment purposes. The school will not be responsible for items that are broken, stolen, or have caused disagreements with other children.
9. Mark all coats, hats, gloves, and lunch boxes with student names.
