Jackson R-2 Elementary Summer School

K-4 Discipline Policy

We look forward to a great summer, filled with fun and learning. Therefore, it is critical that all students follow the rules so that everyone is safe and able to enjoy the program. The discipline guidelines used during the regular school year will be enforced during the summer program. If you do not have a copy of the Student Handbook where the guidelines can be found in their entirety, you can obtain one from the administration office. *Disciplinary action, including dismissal from the program, will be taken when rules are violated.*

- Students who fight or make threatening remarks will be disciplined with the possibility of removal from the program.
- Cell phones must be turned OFF from 7:30 AM-3:30 PM. Any student found speaking or texting on a cell phone during these hours could be dismissed from the program.
- Respect for students and teachers is expected at all times.

Unlike during the regular school year, Jackson R-2 does not provide alternate programs in the summer for students who exhibit behavior problems. Students could possibly be dismissed from the program if they violate school rules.

Discipline Procedures:

1. Teacher will conference with the student and contact parent/guardian regarding minor discipline issues. Major incidents could be directly referred to the office.
2. Teacher will refer student to Summer School Director/Principal. Summer School Director/Principal will contact parent/guardian to inform them of the student behavior infraction and resulting discipline.

The Jackson R-2 School District takes great pride in providing our students with a safe learning environment. Please sign below verifying that you have read the rules and procedures and have discussed them with your child.
