

The Missouri Virtual Instruction Program (MOVIP) transitioned to the Missouri Course Access and Virtual School Program (MOCAP) as a result of updates to [Section 161.670, RSMo](#). Information about state funding for students enrolled in virtual education can be found in [Section 162.1250, RSMo](#). Missouri students may enroll in MOCAP courses for the fall and spring semesters. MOCAP is not available in the summer.

What Is a MOCAP Course?

[Section 162.1250, RSMo](#) sets out the requirements for all virtual courses. Not all virtual courses are approved MOCAP courses. Courses listed on the MOCAP Course Catalog have been checked for compliance by the Department of Elementary and Secondary Education (DESE). The local education agency (LEA) must vet all other virtual courses to ensure that statutory requirements have been met. In order for students to enroll in MOCAP courses, LEAs must have a secure method to send a student's MOSIS ID and date of birth to courseware providers.

MOCAP courses have been through a stringent review process, including:

- Course alignment to Missouri Learning Standards
- Web Content Accessibility Guidelines (WCAG 2.0)
- Data security review
- Missouri appropriately certificated teachers
- College Board approval of Advanced Placement (AP) courses in the catalog

MOCAP providers have agreed to:

- reporting requirements (including course completion and learning gains)
- invoicing requirements
- a price cap of 7% per semester and 14% per year, per course, based on the June State Adequacy Target

Course Catalog

MOCAP's course catalog link, mocap.mo.gov/catalog/ displays contact information for providers to be contacted directly to register for courses.

MOCAP Policies

An LEA shall inform parents of their child's right to participate in the program. Availability should be made clear in the parent handbook, registration documents, and featured on the LEA's homepage.

Individual Learning Plans (ILP) or Individual Career and Academic Plans (ICAP)

Students taking more than two MOCAP courses must have an individualized learning plan maintained in the LEA's student records. An LEA may develop its own learning plan for students or use the [ICAP](#) that is available through the Office of College and Career Readiness under School Counseling.

Student's Appeal Process

There is an appeal process if a student is denied access to a MOCAP course. Please refer to [Section 161.670, RSMo](#) to learn about the LEA's responsibility in the MOCAP appeal process. Parent/guardians must first work with the LEA before submitting the appeal to DESE.

Parents/guardians may only submit the documentation provided by the local school board to the [MOCAP Appeal](#) website. The LEA will receive notification of the appeal and a copy of the submitted documentation. Only MOCAP courses offered during the regular school year are eligible for appeal. The appeal process does not apply to summer school or virtual courses that are not MOCAP approved.

Reporting for Virtual Education in MOSIS

- MOCAP requires that all teachers be appropriately certificated. Attendance hours for any educator without a valid Missouri teaching certificate will not be allowed for state aid purposes.
- Virtual courses will use Exhibit 34 – Instruction via Technology for delivery systems.

Program Code 50 in MOSIS

- LEAs will identify MOCAP courses with Program Code 50 in their MOSIS October Cycle – Course Assignment.
- For student courses identified with the Program Code of 50, the educator course and educator do not need to be reported in the Course Assignment, Educator Core, or the Educator School files because the appropriate certification has already been verified by MOCAP.

Program Code 52 – Curriculum Only in MOSIS

- LEAs will identify MOCAP curriculum only with Program Code 52- in their MOSIS October Cycle – Course Assignment.
- For MOCAP curriculum-only courses, an LEA must use an appropriately certificated teacher
- For courses that do not have a MOCAP teacher, the LEA will report educator information in the MOSIS October Cycle – Educator Core and Educator School.
- If an LEA does not have an appropriately certificated teacher, the course cannot be reported as a MOCAP course. Therefore, do not enter a program code; enter only the delivery system from Exhibit 34.

LEAs as Courseware Providers That Are NOT in the MOCAP Course Catalog

- [Section 162.1049, RSMo](#) requires nonresident district and resident district shall accept each other's credits.
- LEAs may develop and provide online courses for other LEAs if standards in [Section 162.1250, RSMo](#) have been met.

- When purchasing virtual education from a Missouri LEA, the educating LEA (receiving) must coordinate with the sending LEA (where the student is enrolled) under the Cooperative Agreement - Resident 1.
- These are not MOCAP courses, so do not enter a program code; enter only the delivery system from Exhibit 34.

Core Site License Agreements both in and outside of MOCAP Course Catalog

- LEAs may have a core site license agreement directly with a courseware provider, meaning that the LEA is responsible for ensuring statutory requirements have been met for course alignment and educator certification.
- Do not enter a program code if the LEA has a core site license agreement or a cooperative agreement with another LEA, (regardless of MOCAP status).
- A MOCAP provider may offer additional courses that are not MOCAP approved and cannot be reported with the program code for MOCAP. Do not enter a program code for these courses. Simply enter the delivery system according to Exhibit 34 of S for Electronic Media or V for Virtual in the October Course Assignment.
