If not currently a Jackson R-2 District student, what school do you attend? _____

I would like to enroll in the Jackson R-2 Summer School Program. I do realize each student must follow all rules and regulations of the Jackson R-2 School District and must attend a minimum of 93% of scheduled class time. **I am aware that any student who misses more than a total of 4 hours in any on campus session will be dropped from the session.** Students attending summer school will earn .5 credit per session successfully completed. I understand that normal school rules apply during summer school, including dress code and cell phone use. I also understand that online courses will require some face-to-face meetings with the teacher for the purposes of testing and hands-on activities/certifications.

Possible Course Offerings for Jackson High School Summer Session Grades 9-12

Current Dates for Summer School June 5th – 27th, 2024

No School on Wednesday, June 19th

Morning Session 8:00 a.m. – 12:00 p.m.
Lunch (not provided) 12:00 p.m. – 12:25 p.m.
Afternoon Session 12:30 p.m. – 4:30 p.m.

Important - Students will be in attendance 16 school days. **Due to the short attendance period and the offering of credit during this time, required attendance is 93% of scheduled class time for receiving credit. This means the student can not miss more than one session (4 hours total).**

Normal school rules apply during summer school. The following frequently need to be clarified: Students should dress appropriately (no short shorts & no tank tops).

Each session represents one semester of credit equivalent to a ½ credit towards graduation. All course offerings are subject to change/cancellation depending on enrollment numbers and instructor availability. **For this reason, it is important to enroll early!**

Schedules will be e-mailed in mid-May confirming your student's placement for summer school. If you do not receive a schedule then your student is likely on a waiting list for a class and will be notified when a spot becomes available.
